

Congratulations to the Islamic Ummah upon the Arrival of Blessed Eid Al-Fitr

بسم الله الرحمن الرحيم

Praise be to Allah who granted us the month of the Qur'an, mercy and forgiveness and saved us from the hellfire - he month of Ramadan- and graced us with the fasting of its days and praying during its nights, and peace and blessings upon the Prophet of epic and commander of the mujahideen Muhammad, May the Peace and Blessings of Allah be upon him, through whom Allah tore apart the darkness of disbelief, idolatry and ignorance, and upon his family and Companions who loved each other for the sake of Allah and held on to the religion in full and sacrificed the dear and the precious in the cause of Allah with altruism to brother hood in the cause of Allah and the religion, and pushed down with it the noses of the enemies of Islam and did Jihad against the disbelievers and the apostates and the hypocrites, and thereafter:

The Almighty said:

﴿ وَلِتُكَبِّرُوا اللَّهَ عَلَى مَا هَدَاكُمْ وَلَعَلَّكُمْ تَشْكُرُونَ ﴾ .

"And to glorify Him in that He has guided you; and perchance ye shall be grateful. "

(Al-Baqara: 2)

O Muslims everywhere, As-Salaamu Alaikum Warahmatullahi Wabarakaatuhu

We present our wounded Umma and our Muslim peoples everywhere, and our captive sin the prisons of the disbelievers and the apostates, and our mujahideen brothers who defend the religion in the east and the west, and our beloved brothers who work in the media foundations that are on the Jihadi media front, and the leaders of the Umma of Islam especially the Emir of the believers, Mullah Muhammad Omar, and the Sheikh Ayman Al-Zawahiri, and the Emir of the believers, Abi Bakr al-Baghdadi, and the Emir of the Believers Dokka Umarov, and the Emir Hakimullah Mehsud, and the Sheikh Naser al-Wuhayshi, and the Sheikh Abu Musab Abdul Waduoud, and the Sheikh Mukhtar Abu al-Zubair, and the Sheikh Abu Muhammed al-Jawlani, with pure greetings from the heart on the occasion of the blessed Eid AL-Fitr, which is the celebration of this Umma and a day to show happiness, joy and pleasure. We ask Allah the Almighty to accept from us and from you all the fasting and prayers in Ramadan and to bring it back again on the Umma of Islam, which eliminated of all forms of oppression, occupation and tyranny, and Muslims return to be in the glory that Allah placed them in and had become victorious by holding on to the Qur'an and the Sunna and committed to the fronts of Jihad and support of the mujahideen and fighting of the enemies of the religion with their lives, money and tongues.

By the grace of Allah this Eid comes while the torch of Jihad is lit at its utmost level in all the Jihadi fronts from Afghanistan, Pakistan, Iraq, the Levant, Lebanon, the Caucasus, Somalia, Yemen, Palestine, Egypt, the Islamic Maghrib, Eastern Turkistan and India.

The mujahideen by the help of Allah are advancing and are in glory and victory day after day. They are achieving impressive consecutive victories through special invasions and big operations that shed the blood of the heads of evil and their soldiers like flowing rivers. They destroy their headquarters and fortified centers and military barracks that day after day become ruins, and breaks the back of the Zio-Crusader Shi'a, secular global campaign against Islam and prepare for the global Islamic State and the great kingdom of the Islamic Caliphate, that doesn't recognize borders or ethnicities and that will liberate mankind from the slavery of the laws of mankind and remove the shackles from humans and rule with what Allah revealed to make all creations happy living under the shade of Islam and the holy Qur'an.

Praise and thanks are due to Allah alone the Glorious and Almighty who made the enemies of Islam back out in all the fields and suffer the bitterness of defeat and failure and humiliation and from a defeat to another at the hands of the Mujahideen.

A month had passed while some people did good and some others did bad and the month is a witness for us or against us based on our deeds, so, congratulations to those who were accepted and loss and shame to those who were kicked out of the mercy of Allah despite their fasting and prayers in this holy month because they didn't fulfill the purpose of the month of Ramadan as the Prophet, May the Peace and Blessings of Allah be upon him, said: It was narrated from Abu Hurairah that the Messenger of

Allah said: “There are people who fast and get nothing from their fast except hunger, and there are those who pray and get nothing from their prayer but a sleepless night.”

The month of Ramadan which we spent its days fasting and its nights praying and reciting the Qur’an and worshipping was a month of questioning the self and repenting and pausing sharply with ourselves and returning to Allah the Glorious and Almighty to achieve the happiness of this world and the hereafter.

It was truly a month of self purification and exaltedness of the soul and faith strengthening in order for us to enter into total peace, and to abandon the path of Satans from amongst mankind and Jinn and to accept Allah. To pray to Him glory be to Him and to resort to Him alone, and to be keen for everything that gets us closer to Allah. To avoid what distances us from Allah the Almighty, and not to be lackey and follow every trivial person. Not to follow suspicions and excuses and desires and leave strong determination, and not to make the impermissible permissible or the permissible impermissible copying the words of someone without a proof from the Shari’ah. To recite the Qur’an and abide by it, and to make the Qur’an our guide and the guidance of the Messenger of Allah, May the Peace and Blessings of Allah be upon him, to be our leader. To exempt ourselves from the enemies of the religion and denounce them, and not to be afraid of opposition in the cause of Allah. Not to have leniency for the disbelievers and the idolaters and their agent, who follow their democratic regimes and the colonizing global laws of the United Nations, and not to weaken in helping Islam and Muslims even a little bit, despite the temptations of the people of falsehood who do their best to make Muslims abandon their religion and join them using different methods in doing so. To make our loyalty in all the affairs of our lives to the religion of Islam and to Allah and His Messenger and the believers, even if the Muslims are weaken and don’t help us. To refuse all apparent signs of love by the enemies of Allah, and the agents of their controlling colonizing regimes over Muslim countries, even in this time when we are in dire need of someone to comfort us and be loyal to us. Not to forfeit the principles of our religion and creed of Tawhid out of fear from the enemies of the religion or out of love for money or leadership in this transient world. Not to forget this faith truth when we act or talk that there is no brotherhood and love between us Muslims and between the disbelievers, the secularists, the democrats, the idolaters and the apostates, and that we are ordered by Allah the Almighty and Glorious to be enemies to the disbelievers amongst the Jews and the Christians and the rest of the idolaters. Not to mimic them in any matter of creed and acts of worship and manners and habits, and to distinguish ourselves from them. To form the personality of the individual Muslim through taking pride in the religion, and the sincere brotherhood of Islam following faith and religion. To fortify and protect Muslim countries from the influence of the disbelievers and their agents through committing to prohibitions and conditions of dealing with non-Muslims, and we warn and always avoid exhibiting love to them and taking them as friends other than Allah. To make our way of thinking Islamic and not patriotic or nationalistic or regional with an Islamic layer, and to feel sad and pained for the sorrows and grieves of Muslims,. To rise to support them

without care for the borders drawn by Skies and Picot for every country or the unjust laws of the tyrannical regimes and to be influential Muslims towards our brothers in Allah and the religion and to love in Allah with sympathy and mercy towards each other, and to have deep in our hearts the love for Islam and the believers. To have humility towards the slaves of Allah the pious ones and toughness against the enemies of Allah the disbelievers and the apostates, and to stay away from fighting and disputing and disagreements, as the Messenger of Allah, May the Peace and Blessings of Allah be upon him, said in a hadith by Abu Hurairah, may Allah be pleased with him wrote: The Messenger of Allah, may Allah bless him and grant him peace, said: "The deeds are presented on every Thursday and Monday and Allah, the Exalted and Glorious. grants pardon to every person who does not associate anything with Allah except the person in whose (heart) there is rancour against his brother. It would be said: Put both of them off until they are reconciled." And to have faith in our hearts that is higher and more exalted than the ruins of this transient world and its short pleasures. To be always keen not to be amongst those who abandon the religion of Islam and fall short in it and hold on to the global disbelieving regimes and the laws of the United Nations that are built on the focus of minds and the trash of thoughts, and replace what is higher with what is lower. And to be amongst those who give their lives and blood cheaply in order to implement an Islamic regime realizing well the truth that Islam is the religion of truth and justice and a religion to organizes the human life in this world and the hereafter and organizes all the ways people behave before the Creator and the dealings of the Creator with the creations. Also takes care of general and private interests, and it is the only religion that can fix the world because it is from the All-Wise and All-Experienced One who is Merciful and All-Seeing, and to follow the example of the Messenger of Allah, May the Peace and Blessings of Allah be upon him, and the Companions, May Allah be pleased with them and those who followed them in goodness amongst the early Muslims of this Umma, especially the ones in this era when the Umma has become weak and dispersed, and it was looked down upon by its own people before its enemies except for those who realized this great rule of Islam which is loyalty to Allah and His Messenger and the believers and exemption from the disbelievers and the idolaters and the enemies of the religion.

The purpose of Ramadan and what is required from us Muslims, very briefly, is to work in all aspects of life according to the Book of Allah and the Sunna of His Messenger, May the Peace and Blessings of Allah be upon him, and to continue holding on to Islam as a whole and to do good deeds in the rest of the days of the year just like Ramadan.

And finally, we pray Allah to make us amongst those who graduated from the Ramadan school by getting His forgiveness and be freed from the hellfire and to accept from us our fasting and prayers.

O Allah, we ask You to make us a righteous Umma, an Umma that is holding on to the religion of Allah in words and actions, in creed outside and inside, an Umma that respects the restrictions of its Lord

and that follows its Prophet, an Umma that follows goodness and calls for it, an Umma that promotes virtue and prohibits vice and does Jihad in the cause of Allah, we also ask You to make our youth, elderly and old men and women good O Lord of the universes.

O Allah, empower the mujahideen and your weak servants on Earth, O Allah, strengthen them and grant them security out of their fear and help and support them, they are the weak ones and You are the Strong One, and they are the poor ones and You are the Rich One.

O Allah send Your punishment on Your and their enemies which the criminals can't push back, O Allah everyone who conspired against Islam and the mujahideen return their plots against themselves and destroy them and expose their perniciousness and their inside and make them examples for others.

O Allah release the Muslim men and women from their captivity and heal their wounds and take away harm from them!

O Allah forgive us our sins and our transgressions and grant us firm foothold and victory over the disbelievers.

Allah is great

{But honour belongs to Allah and His Messenger, and to the Believers; but the Hypocrites know not}

May the Peace and Blessings of Allah be upon our Prophet Muhammad and upon his family and Companions and those who followed his straight path until the Day of Judgment.

And May Allah accept from us and you the good deeds

Was-Salaamu Alaikum Warahmatullahi Wabarakaatuhu.
